## PROFILE

A highly motivated and results-driven web developer with expertise in front-end and back-end technologies. Adept at designing and developing responsive, user-friendly interfaces using HTML, CSS, Bootstrap, JavaScript, React.js, and jQuery. Experienced in back-end development with Python, Django, and SQL, delivering scalable and efficient web applications. Passionate about building dynamic web experiences and eager to contribute to innovative projects.

## PROFESSIONAL EXPERIENCE

### Sri Hema Infotech, Chennai (Sep 2024 - Nov 2024)

Front-End Developer

- Spearheaded the development of dynamic and visually engaging web applications, ensuring seamless user experiences across all devices.
- Engineered pixel-perfect, responsive UI components using HTML, CSS, Bootstrap, and JavaScript, optimizing page load speed and accessibility.
- Developed interactive and feature-rich interfaces with React.js and jQuery, enhancing usability and engagement.
- Customized WordPress themes and plugins, delivering tailor-made solutions that boosted client satisfaction.
- Collaborated with cross-functional teams to translate client requirements into intuitive, high-performance digital solutions.

## EDUCATION

### DR. MGR University (2021 - 2023)

MBA in Logistics & Supply Chain Management

- GPA: 7.6

### DR. MGR University (2018 - 2021)

B.Sc Physics

- GPA: 6.4

### Besant Technologies (2023 - 2024)

Full Stack Developer Course

## TECHNICAL SKILLS

- Front-End: HTML, CSS, Bootstrap, JavaScript, React.js, jQuery, WordPress
- Back-End: Python, Django Framework, SQL
- Tools & Platforms: Git, GitHub, Netlify
